AA Hotline Needs Help

Central Delaware Intergroup needs people to take calls from our new answering service. Our current plan is for Home Groups to volunteer for a month at a time. (see guidelines)

These calls do not require that you pick up people and take them to meetings.

You volunteer for a time of day suitable to you.

Calls are gender-specific.

Please add your name and info to the list provided if you are willing to help with this 12th step work.

The policy of AA General Services is that we are not encouraged to take people to their first meeting. We can provide directions to meetings, but they are expected to get to their first meeting by themselves and then ask for assistance at the meeting.

Contact info.
